Cal if o - ni a let me speak my mind
Cal if o - ni a when the days are blue
That's the

VOICE

wait-ing for a long long time
I've got a sneak-y feel-ing
I'll be steal-ing

I miss the gold-en land of sun-shine and the

To your bright and sun- ny eli ne
Is it an-y won-der that I'm glad
You're the

man- y hap- py friends I knew
Ev- ry mo- ment how I long to be

In your
only home I've ever had Since I'm away both night and day You're in this heart of mine
land of hospitality Your native son has only one Place in his heart so true

CHORUS

Hear your lonesome boy calling

Hon'est I ain't a stall ing I want to come home just hear me crying
