You'll always find me glad, that's the only way
every Mm
When troubles come a-

-long
Then I just hum a song

-true
I'll tell you what to do

Just follow me, don't delay:
Just hum and (she'll) come to you:

Refrain

Keep on humming
Although the skies are gray
Keep on humming

Till trouble flies away
Bright days are coming

Sunshine and cheer
Just keep on humming
Sadness will disappear,
Keep on humming
The world will smile at
you

Sun-beams your love-dreams will be

Just hum a song as you travel along

Keep right on humming with me.
