PARENTS: If this issue is addressed to your son or daughter, who no longer maintains an address at your home, please send a current address to the Alumni Affairs Office, SUNY College of Technology at Utica/Rome, Marcy Campus, P.O. Box 3030, Utica, New York 13504-3030.

Up Front

About the Cover: This issue features a cover shot to definitely put you in the mood and thinking about Alumni Weekend. With a beach party flavor and theme chosen for this year’s homecoming, you should seriously consider a little tanning action and riding the high wave (to your friends) with us. Experience Tropical Times at Alumni Weekend’s Beach Party, scheduled this year June 24, 1989.
Message From The President

As we enter a new calendar year, it gives me time to reflect on the events that have been occurring with the Alumni Association. We have a goal of 200 dues-paying members for 1989, and have established membership dues incentives so we may reach our goal. One of these incentives is for those first-time dues payers, when paying their three years dues of $25.00, to be given free registration for the Spring Alumni Weekend. The dues are one way we generate income to pay for the services we offer to our alumni.

For the past year, those alumni who have visited the college have noticed the large gym facilities which have now been built on the Marcy Campus. Many have asked when, or if, alumni will be able to use the gym facilities. I am happy to say, yes, the alumni, have priority to use the campus facilities after the student body and faculty/administration. The user fee will be $150.00 per year for those graduates who have paid their alumni dues to the Alumni Association. This facility fee is to help defray the cost of running the gym facilities.

The long-range planning committee has established a separate planning unit to work with the college-wide planning and budgeting committee to establish goals and objectives for the Alumni Association. I would like to thank Elizabeth Kaufl, assistant to the president for research and planning. She has been a valuable resource and friend to the Alumni Association.

As you can see, we are involved in many different aspects of alumni and operations of the college. Unfortunately, we are doing all this work with a handful of volunteers and borrowing from the college relations and development office for staff personnel. We are one of the few SUNY colleges that do not have a full-time alumni professional. I have spoken to President Cayan on this issue a number of times, and he understands our concerns. Since the State continues to be in a financial crunch, it has been impossible to get an additional line. Aggressive alumni programming is needed well beyond the levels we are able to provide on a part-time basis. By the end of this academic year, this college will have produced nearly 9,000 graduates. We can be a powerful entity with the right organization. I commend the work the college relations and development office has done in providing us support, but we need to grow and provide the services that you find other alumni offices providing. This is the college administration. Can you see this is a deep concern of mine, and I will continue to work with the college administration until one day we are able to have a full-time alumni professional.

The work cannot be done without the generous support of President Cayan. He has offered his services to our alumni on numerous occasions, and his administrative staff is always willing to help us in supporting alumni programs.

I ask that you do get involved with the Alumni Association. There are many projects you have in the back of your mind that you would like to see us do. We will be more than willing to help you in making these projects come true. But, we do need your involvement.

We have a number of Board of Director positions that will be vacant. These positions will be filled at our annual meeting on Alumni Weekend. I ask you to think about joining your Alumni Association. For only a few Saturdays a year, you can make a great impact on the directions the Alumni Association and the college plan to take.

In closing, I would like to thank everyone who has worked with me in these two years of my presidency and assure you excellent leadership will continue through the presidency of Allen Swayne, Class of 1984. Remember, we are out there and we are willing to listen to you. Please, let us know you are around.

Sincerely,

Richard D. Sherman
President, Alumni Association
Class of 1983

Alumni Have Athletic Facilities Users Policy

The Users Policy for the athletic facilities at the College of Technology has been extended to alumni. Individuals will receive a non-transferable identification card to use the facilities and must be ready to present it when requested.

Alumni may use the facilities during posted hours of operation and when it does not interfere with intercollegiate practices or games and intramural activities (as for all users). A fee of $150.00 per year is payable annually or semi-annually.

Tropical Times Ahead for Alumni

Mark your calendar and dig out your beach blankets for the wildcat Beach Party of the summer! The Alumni Weekend Planning Committee is busy lining up a fun-filled weekend of activities for you. Information packets will be in your mailbox soon.

This year's theme is "Experience Alumni College's Tropical Beach Party," scheduled for June 2, 3, and 4. The weekend will kick off Friday evening with registration at 6:00 p.m. The Beach Party will begin at 7:30 p.m. in the pub. There will be plenty of food, drinks and music from the '50s and '60s. Saturday lunch is accompanied with a continental breakfast in the Campus Center dining hall. The Alumni Association annual meeting will convene at 10:00 a.m. to discuss annual business, budget, and elections. The picnic will start at noon on the campus grounds and activities around 1 p.m. Tennis, softball, volleyball, and basketball will be available and everyone is encouraged to participate in the fun. The Awards Dinner is scheduled for 6:45 p.m. with a cash bar opening at 6:00 p.m. The award presentations will start at 8 p.m. After the awards, the pub will be open with a cash bar so alumni can relax.

Sunday you may wish to conclude your weekend by attending a non-denominational service at 11:00 a.m. to be held in the Campus Center dining hall.

SUNY Tech Fall Homecoming '88 Wasn't One

If at first you don't succeed, sometimes it is better to have tried.

For the 20th did attend, the weather was sunny and all appeared to have a good time.

The day began at 10:00 a.m. with an Alumni Association Board of Directors meeting. A picnic lunch took place from 11:00 a.m. to 2:00 p.m. in the Campus Center Snack Bar. There were highlights of this event. First, there was the Hungarian mild peppers, which were nowhere near the Webster Collegiate Dictionary's definition of mild. Second there was the cooking staff. Their professional and polite service, and the jovial banter of these two cooks/grillmen/barkeeps, kept everyone well-fed and well-filled. Attendees also enjoyed a SUNY Tech soccer game after the meal, as the Wildcats outscored the Roberts Wesleyan, 3-2, at nearby Mercy Elementary School.

The Student-Alumni Forum met at 3:30 p.m. in the Campus Center, allowing students a chance to meet and discuss issues then and now with attending alumni.

The Rochester Area Alumni Get-together Kicks Off Wildcat Basketball Season

On October 11, 1988, the Rochester Area Alumni sponsored a get-together for all Rochester-area alumni. Centered around the Wildcat basketball game against the University of Rochester, it featured plenty of excellent food, drink, and conviviality.

The attendees were our own Alumni Association President, Richard Sherman, '63, and his wife, Helen, '84, who made the long trek from Liberia for the event; Eileen Lumb, '79, and her husband, Greg, Michael Love, '78, and Dr. John Breph, who was the recipient of the 1988 Honorary Alumni Award. On the staff side were Millton Smith, director of alumni relations, and his wife, Gail; Suzanne Latus, secretary for research and planning, and John Bach, director of development.

Though everyone had a great time, the sparse turn-out was a blessing in disguise as the Wildcats were soundly beaten by the U of R Yellowjackets.

suny tech alumni association
The following list features the names of alumni of the SUNY College of Technology at Utica/Rome who contributed to the college's annual phonathon for 1987-1988. With sincere appreciation, we wish to thank all of the donors listed here for their generous support. This roster lists all donors through June 30, 1987. If we have omitted or misspelled a donor's name, please contact us and notify the Foundation Office so that we can correct any errors.

A special thanks to Dr. John M. Brophy, the first academic vice president, who this year became an honorary alumnus of the College of Technology. Dr. and Mrs. Brophy made the first $1,000 personal gift to the Foundation on the occasion of his retirement in 1976. Your leadership, dedication, and continued support are greatly appreciated.

1989 Alumni Awards Nominations Sought

The Alumni Association again is soliciting nominations of alumni to be recognized for distinguished service to their professions and/or their communities. Ten-year awards acknowledging alumni achievement and community involvement will be presented to members of the Class of 1979 and five-year awards will be given to members of the Class of 1984 on June 3, 1989 at the Alumni Weekend banquet.

Awards are made based on promotions earned, contributions made, or other recognition received relating to the nominee’s “professional, community, or personal life.” We expect to recognize those five graduates in each class, depending on the Awards Committee judgments. You are invited to nominate alumni who might be deserving of such recognition by the Alumni Association. The Alumni Office will do all the detailed follow-up to gather particulars and verify qualifications of nominees. What we would like you to do is submit the names of alumni from the classes identified whose success stories you may know. Self-nominations are encouraged.

For your convenience, please use the form printed below. Send it to: Alumni Awards Committee, Alumni Office, SUNY College of Technology, P.O. Box 3030, Utica, New York 13504-3030. Nomination deadline is April 1.
