A Note To Parents:

Reading to your child greatly benefits them. The more your child reads and explores books, the more vast their knowledge and language comprehension will be. Reading helps your child to learn, grow, develop, and comprehend a variety of different topics.

You can use this book to teach your child the alphabet by associating it with objects that typically may be seen on a camping trip. This also can be utilized to teach a child what the names for some of those objects are. The child may look at the picture and the letters while you read them the sentences which is perfectly okay! This book is designed specifically in case that happens by only putting the object that starts with the letter in the picture.

Please enjoy!

Jill Scofield
In the fall, you can see many acorns on your camp site.

A boat ride around the lake is so much fun!
Cc

You can camp in a cabin.

Dd

Deer may be spotted running through the woods while you are camping.
In the spring, you may find bird *eggs* ready to hatch around the campground.

You can see many *fish* in the lake at your camp.
Gg

Goose
goose

You may make friends with a goose while you are camping!

Hh

Horse
horse

You may get a ride on a horse drawn carriage ride while you camp!
Ice cream is always a fun snack to have when it’s hot at camp!

If you get bored while camping, you can jump rope!
Flying a kite is always fun to do while camping!

If you camp in the fall, there will be a lot of leaves on the ground.
Marshmallows make a great campfire snack!

If you camp in the spring, you may see many birds' nests around.
Oo

Owl
owl

At night, you may be able to hear an **owl**!

Pp

Pool
pool

When you get hot, you can cool off in the **pool**!
Qq

Quiet
quiet

In the morning, you have to be quiet because the other people in the campground may still be sleeping.

Rr

Rock
rock

Be careful! Your camp site may be full of rocks!
When camping in the summer, the sun gets very hot.

Sometimes, you get a camp site with trees to shade you from the sun!
Uu

Umbrella
umbrella

Sometimes it rains when you are camping and you need an umbrella.

Vv

Volleyball
volleyball

A lot of people like to play volleyball while they are camping.
Sometimes, you may find a spider **web** in the woods while you are camping.

If you are not careful on your bike, you may fall and need to get an **x-ray**!
In the fall, you may see a lot of yellow, red, and orange leaves on the ground on your campsite.

Your campground may have a petting zoo where you can pet all the animals!
The Camping Alphabet Book

The Camping Alphabet Book by Jill Scofield shows the ABC's of camping! From words like “fish” to words like “marshmallows” this book is unique because it includes a variety of sub-topics inside of it. With each letter and word shown using upper and lower case letters, this book helps the child begin to associate letters with sounds, words, and objects. Each letter includes a picture that corresponds to the word and a sentence that parents can read to their child to explain how each object goes with the topic of “camping.” With words that are not too difficult for a child to understand, this book can be helpful when trying to teach your child reading skills.
