Bill Drew (Morrisville) is the new Chair of the SUNYLA Automation Committee. The committee is evaluating the SUNYConnect database vendors to see to what extent their sites comply with web site accessibility guidelines.

Here is Bill's call for volunteers:

The automation committee has been charged by the executive board with investigating how well database web access complies with [ADA/W3C](#) guidelines. I am looking for volunteers to look at the following databases available to all SUNY libraries with one volunteer per database. The list of databases with the volunteers:

AccuNet/AP Photo Archive -- Dave Ritchie -- Cortland  
 Dialog@CARL -- Michael Matis -- Albany  
 FirstSearch -- Chris Hebblewaite -- Oswego  
 Gale Databases -- Kate Majewski -- Delhi  
 IAC Health Reference Center -- Evelyn Rosenthal -- Dutchess  
 IAC SearchBank -- Charlie Cowling -- Brockport  
 Uncover Reveal -- Kay Benjamin -- Optometry

Results will be announced sometime in November.
