Who's got [SUNYergy](#)? In a recent example, Adirondack, Albany, Alfred University, Binghamton, Brockport, Broome, Buffalo State, Cayuga, Cobleskill, Columbia-Greene, Corning, Delhi, Dutchess, Empire, Erie, Fashion Institute, Finger Lakes, Fredonia, Fulton-Montgomery, Genesee, Geneseo, Herkimer, Hudson Valley, Jamestown, Jefferson, Mohawk Valley, Monroe, Morrisville, Nassau, New Paltz, North Country, Old Westbury, Oneonta, Onondaga, Orange, Oswego, Plattsburgh, Potsdam, Schenectady, Stony Brook, Suffolk, Sullivan, SUNYIT, Tompkins Cortland, and Westchester have SUNYergy. These SUNY libraries are working together to make the [Oposing Viewpoints Resource Center](#) available to all of SUNYConnect.

These libraries and their interest in this resource have made it available to the entire consortium. The level of interest also resulted in a savings at the campuses. Per-campus costs for the resource were reduced by nearly 30%.

The SUNYConnect Advisory Council ([S.A.C.](#)) had tasked OLIS with surveying the campuses again in this regard. The group urged libraries not involved previously to consider supporting the resource. With this round, there are seven new participating campuses. Three previous participants opted out this year.

Thanks to all that make this resource available to SUNYConnect. Similar models (with differences in the campus participants) make the New England Journal of Medicine and the ScienceDirect resources accessible for all of SUNYConnect.
