

## An Information Odyssey -- SUNYLA 2010

### Cover Story

Kudos to [SUNY Brockport](#), conference organizers, presenters and vendors for a successful [SUNYLA 2010](#) annual conference.

### Power of SUNY

A couple of pre-conference [programs](#) got good reviews here especially for the lively discussion that touched on many aspects of librarianship and how SUNY libraries can work together even more effectively:

### Features

#### [SUNYCatalog](#)

- *One SUNY Collection Pilot Project*
- *Serials SIG Plus*

#### [Rethinking Collection Development](#)

#### [SUNYLA 2010](#)

Chancellor Zimpher visited the conference and Brockport by way of a video link. The chancellor discussed "The

#### [Next Generation Library Systems](#)

Power of SUNY" [strategic plan](#).

#### [SUNYConnect Updates](#)

Congratulations to the C4D (SUNY comprehensive colleges cooperative collection development) group for "[Best in Show](#)" -- SUNYLA 2010 poster sessions.

#### [How to Contact Us](#)

Provocative sounding session titles included -

#### [Linkable Links](#)

- *Empowering the Reluctant New Library Manager*
- *Adventures Beyond the Library: Faculty Learning Communities and Librarians*
- *Are the Kids All Right?? Addressing Uncivil Behavior in Academic Libraries: A Community College Perspective*
- *If not a Librarian, then a ...? Using Librarian Superpowers for the Good of Campus Projects*
- *Oh Users, Where Art Thou?*
- *Middle States: Why Me?*

Thanks everyone!
