#### Aleph Reports / How-Tos

- Circ Stats by Hour
  - A new Custom Service is available that produces a statistical report of circulation activity per hour. The service is patterned after cir-31. This report was originally requested by a campus via [Footprints](#). Others may also find it useful.
- Custom-12
  - Circ / Services / Custom – Circ Stats (Summary)  
/ Hourly circ statistics by sublibrary  
/item stat/bor stat
- Statistics can be generated for:
  - Loans and Renewals  
Loans only, no Renewals  
Returns

Statistics are organized by: Sublibrary / Hour of Day / Item Status / Borrower Status

- [New Custom Service for Cash Transactions](#)
- [How To Create an Excel List of Reserve Items](#)

#### OVRC

SUNYergy redux!

Alfred, Clinton and Morrisville have joined Adirondack, Alfred University, Binghamton, Brockport, Broome, Buffalo, Buffalo State, Cayuga, Cobleskill, Columbia-Greene, Corning, Dutchess, Empire, Erie, Farmingdale, Fredonia, Fulton-Montgomery, Genesee, Geneseo, Herkimer, Hudson Valley, Jamestown, Jefferson, Mohawk Valley, Monroe, Morrisville, Nassau, New Paltz, North Country, Oneonta, Onondaga, Orange, Oswego, Plattsburgh, Potsdam, Schenectady, Suffolk, SUNYIT, Tompkins Cortland and Westchester in providing the Opposing Viewpoints [Resource Center](#) to all of SUNYConnect (through June 2011). Bravo!

#### Syndetic Solutions' enhanced content

As a result of budget cuts, SUNYConnect was unable to renew its agreement with Syndetic Solutions for enhanced catalog content (cover images, 1st chapter, reviews, etc.) Book cover images from Google will be implemented in the Aleph catalogs during August 2010.

#### SBII

Take a look at [this video](#) that summarizes the SUNY Business Intelligence Initiative Library Project and proposed next steps for the project.

#### ebrary

Pricing for ebrary's [Academic Complete](#) subscription service is available via the OLIS Documents area.

Please join other campuses in sending along your statements of interest in this subscription to the SUNYConnect Electronic Resources Coordinator.

### NOVEL

The New York State Library has [announced](#) new and changed resources available to all of New York through the New York Online Virtual Electronic Library (NOVEL) program. As of July 1, 2010 all SUNY libraries have access to the following new NOVEL databases:

- [Academic OneFile](#) (Gale)
- [General OneFile](#) (Gale)
- [Health Reference Center Academic](#) (Gale)

### Nylink

Sadly, [SUNY has announced](#) the upcoming closure of Nylink (May 2011). Concern and sympathy go out to our librarian and other colleagues at Nylink; there is never a good time for such developments.

SUNY, CUNY and others are seeking new approaches especially for the LAND delivery service. And, OCLC has begun discussions with New York State on a contract for OCLC-provided services.
