Moderato

VOICE

Time is here, to tell you dear,  
Like a song, the whole day long,  

What my heart's been tryin' to hide about a year,  
You've been running through my mind, but something's wrong,  
Though it's mighty hard to say,  
I just sigh and nothing more;  

Love has made me find a way;  
Baby, my baby;  

CHORUS

I think you're absolutely wonderful, Now what do you think of me?
What do you think of me? You stole into my heart just like an inspiration, And we could be a marvelous combination, I think you're positively beautiful, You're all my eyes can see, How could any baby be so sweet, The Lord was mighty kind to let us meet, Oh, I think you're absolutely wonderful, But tell the world, what do you think of me.
When You Find There's Someone Missing
(When The One You Love Is Gone)

CHORUS

When you find there's someone missing,
Then your heart won't beat the same,

There's a certain pain you can't explain,
Each time you hear her name,

She is with you while you're dreaming,
