Moderato

Starry night, moon is bright,
Wedding night, all is right,

Little stars are peeping,
Boy is sad, girl is mad,
Love's now she's weeping,

Loving faces beaming,
Boy and girl, hearts a-whirl,
Wonder if they're dreaming.

He says "Dearie listen here,"
Let us kiss and make up honey

They're off soon, a honey-moon,
Seythey'll never fuss or fight again.

Didn't mean to tantalize,
Dry the tear drops from your eyes,
No one else will do.

Girl is looks into his eyes,
Takes him somewhat by surprise,
Says sing that refrain.
