M. K. JEROME

Chorus

Always dream of me, where-ever you may be, And all my

a tempo

P.-f

dreams will be, sweet-heart of you. For thro' we're far a-part

_Twill cheer my lone-ly heart, To know you think of me most ev-ry
There are times when
When your dearest

you feel sad and blue
And blue skies a-

friends have turned a way

Some-things wrong you

don't know what to do.
When you feel that way stop and

beve have turned to gray.
Don't wor-ry for it may not
think a while, Just make believe and smile.
all be true, Here's my advice to you.

Chorus

Make believe you are glad when you're sorry,

Sunshine will follow the rain;
When things go wrong,

It won't be long, Soon they'll be right again.
Tho' your love dreams have gone, Make believe, don't let on,

Smile tho' your heart may be broken; For when bad luck departs, you will find good luck starts, don't grieve, just make

Make believe.
