1) Please consider the original timeline and deliverable targets. How is your project progressing compared with the original estimates?

We are adhering to the original timeline.

2) How is spending progressing when compared with the original budget estimates? (You may also choose to detail issues regarding access to funds in the next three questions).

We will be spending more in the Spring.

3) Please provide feedback regarding your experience with the project execution, in particular any issues or roadblocks you've encountered that may have been unexpected.

The students had been putting fewer hours than expected.

4) What are your positive observations or pleasant surprises about your team's interaction or project process that might be helpful to other PI's?

Not sure at this point.

5) Please describe any challenges you've encountered working with your project team that you've found solutions for that might be helpful to other PI's.
