

## IITG Project Outcomes Form - Report Outcomes : Entry # 218

### Name of person reporting outcomes

Mark Sullivan

### Email

[sullivm@geneseo.edu](mailto:sullivm@geneseo.edu)

### IITG Project Title

2013-Geneseo-Sullivan-Gift and Deselection

### Have you applied for, or received additional funds? (choose all that apply):

- Other (please specify in text box below)

IDS Project will be funding the continuing support and improvements of the Gift & Deselection Manager Online.

### 1st Choice:

Organizational Issues, Teaching and Learning- Support for Teaching and Learning

### 2nd Choice:

Instructional Design- Student Learning Support

### 3rd Choice:

No further selection

### What recommendations would you make to scale-up or share your project more broadly (within an educational sector, or perhaps SUNY-wide)?

IDS Project will be making GDM Online available for free to all SUNY and IDS libraries during the Fall semester. GDM Online will be advertized on the IDS website and offered for a subscription fee to non-IDS/SUNY libraries.

### If you would like to create a community of practice within the SUNY Learning Commons, please describe "members of your community" who would be most interested in your outcomes. Please be specific (e.g., math faculty, instructional designers, student services, registrars, administrators, accreditation or assessment specialists).

Library, Acquisitions, Catalog, Gift Processing, Deselection

### Do you intend to create an ongoing "Community of Practice" within the SUNY Learning Commons to continue work and dialog regarding this project?

No

### Overall, how successful was IITG in meeting your project goals? (You may elaborate on your response in the final question if not addressed elsewhere.)

Extremely successful

**Do you wish your current abstract to be used?**

Yes

**File One Upload and Brief Description**

IDS Project will be supporting GDM Online and providing it for free to all SUNY libraries so no replication of the project is needed. If libraries are interested in producing a single library version of GDM Online, we will be happy to share the code.

We plan on advertising on SUNY-I, IDS-I, and then on other sites that will reach interested libraries across the nation.
