ACADEMIC POLICY STATEMENT ON SUMMER START STUDENTS (TENTATIVE)

1. All students in Summer Start may have a 3 semester period in which to indicate ability to earn a baccalaureate degree at Brockport.
2. A Summer Start student whose academic progress clearly indicates improvement over a period of 3 semesters will be retained by the college, even though his cumulative index is below the minimum average for retention, provided the Steering Committee recommends such action and the recommendation is approved by the Vice President for Academic Affairs.
3. A Summer Start student whose cumulative index is below the minimum average for retention at the end of 3 semesters, and who is retained by the college, will have his course work evaluated in the same manner as followed in evaluating the course work of a student who applies for readmission after academic dismissal. (In the Summer Start student's case, the year absence from campus provision is waived.)
4. A Summer Start student whose course work has been evaluated under item #3 above shall continue from that time forward at Brockport under the regular policies governing probation, retention, or dismissal applicable to any other student readmitted following academic dismissal.
