Others as identified: All Deans (?)

Distribution Date: _____

Signed: Albert W. Brown
(President of the College)

Date Received by the Senate: _____

of Liberal Arts Majors (CLAM)

Senator Morris Proposed the following changes in CLAM procedures: Proposed Policy on the
of the Contractual Liberal Arts Major in conjunction with Teacher Certification
Programs.

The following criterion is to be restated:

No courses used as a part of CLAM program may also be used to meet the professional
education requirements of a certification program.

A CLAM may be elected as the academic major required in the elementary certification
program (Academic Information Guide, 1971-72, pg. 27).

Rationale:

The restatement in item 1 is to make explicit that courses in the Liberal Arts Major
(CLAM) may not also be used to satisfy professional education requirements, but the CLAM
may be used as the academic portion of such a program where it is suitable.

The endorsement of the Senate of CLAM as an acceptable academic major is required
before the State Education Department will accept this major for institutionally endorsed
provisional certification. The proposal that CLAM majors may be acceptable academic
components of elementary education programs originated in the Faculty of Education.

The report was moved by Senator Morris and seconded by Senator Dube and passed.
