FOREIGN LANGUAGE REQUIREMENT

All students entering SUNY Brockport in the Fall 2006 semester are required to take two semesters of a foreign language for the General Education program. Students may satisfy this requirement in any of the following ways:

Credit:

- Successful completion of two semesters of the same foreign language at Brockport. (6 credits)
- Successful completion of a course numbered **112 or higher**. (3 credits)
- Successful participation in a college-level program of study abroad of at least five weeks duration in which the language of instruction is in a language other than English. (6 credits)

Waiver:

- A score of **85%** or higher on the third year foreign language Regents exam waives students from the first semester of the requirement. Students with this score do not need to take the placement exam if they enroll in a course at the 112 level. However they are encouraged to take the test to determine their level and to enhance advisement.
- A score of **3** or higher on the foreign language Advanced Placement (AP) exam waives the entire requirement.
- A **50%** or better score on a foreign language CLEP exam waives the entire requirement.
- Placement at the third semester level or above on the SUNY Brockport Foreign Languages departmental placement exam waives the entire requirement. (Placement exams are offered in Spanish, French, Latin, Italian and German).
- Students for whom English is a second language. These students must document their study of a language other than English by providing the Chair of the Department of Foreign Languages and Literatures a copy of a diploma or certificate proving that they have studied in that language.

Transfer credit:

- Transfer credit from college-level language study for 3 credits waives the first semester requirement and 6 credits waives the entire requirement.

Students with Disabilities statement:

" SUNY Brockport recognizes that some students may have severe documented learning or other cognitive disabilities that adversely affect language acquisition. These students may be accommodated with an alternative series of courses if they have been certified by the Coordinator of the Office for Students with Disabilities as requiring this accommodation. Eligibility for course substitution is determined based upon the submission and review of comprehensive, current documentation clearly indicating this need and is not dependent upon a student's past history of foreign language waiver. With this prior approval, students may take two courses from an approved set of courses on foreign cultures that are taught in English. "
