Proposed Faculty Senate Resolution to Improve Campus Calendars

Whereas:

1. There is a necessity to provide a simple accurate location where people can find information for college events, dates, and deadlines.
2. Many of our calendar publications provide only selected information that pertains to the subject of the person/department publishing it.
3. The campus webpage provides an inexpensive, reliable, and updateable source of information.

Be it resolved that:

All calendar publications will also provide a central “calendar” web address that will list shortcuts to all web-based calendars. A central webpage will be created to “house” all calendars for the college (tentatively: www.brockport.edu/calendars http://www.brockport.edu/calendars>)
