Re: Minor Changes to the REL Minor

The Faculty Senate approved a curriculum change for the REL Major in May 2000. Changes to the major effected the minor. However, at the time the Department did not request a change to the REL Minor. We are requesting that the Faculty Senate consider the following changes to the REL Minor. The REL Department considers these changes to be minor as that do not cause a change in resources. The number of credits will decrease from nineteen to eighteen as a result of the changes made to the major curriculum in 2000.

CHANGES:

Core Required courses

- Remove REL 395 Leadership for Recreation & Leisure - 4 credit hours (no longer taught, changed to REL 308 Recreation Programming & Leadership)
