Friends of Drake Library will host our first First Friday of 2017-18 on October 6, 3:30 – 5:30 pm, at Alumni House. Festivities will include the dedication of Brockport’s very own Little Library, superbly crafted by Gordon Fox, Class of 1966, as an authentic, scale model of the old Normal School building ca. 1870 (our school until the late 1930s, when it was replaced by Hartwell Hall).

The Little Library (<https://littlefreelibrary.org/>) will be stationed just south of Alumni House on the Hartwell lawn, along with a granite bench donated by Brockport’s own Cherise
