

## Newman Club Plans Retreat

By Alice Irwin

In conjunction with the U. B. and State Teachers Newman clubs, a retreat has been planned for March 4, 5, 6, to take place in St. Joseph's Old Cathedral at 7:45 each evening. Ushers for the retreat will include four from the Institute: Bob Riley, Bob Burkhardt, Joe Sobczak, Ed Williams, Tom Purcell, and Garnet Waterhouse.

A communion breakfast was held Sunday, March 7, with Holy Mass at the Cathedral followed by breakfast at the Hotel Buffalo. Reverend Leonard P. Cowley, Chaplain of the University of Minnesota's Newman Club, was Retreat Master. This event marked the closing of the retreat. Tickets for the breakfast were sold by Nancy Brosway, Pat Stack, and Alice Irwin, for one dollar each.

The next meeting is being planned for the second Wednesday in March, with a supper to be served at the Niagara Square Catholic Center.

for each hour thereafter until returned. Absence or tardiness does not excuse fines except in extenuating circumstances. Watch for the pink overnight slips which identify all Reserved books. Requests may be made for these special materials to be saved by filling in a request slip at the Librarian's desk.

Any fines incurred by students must be taken care of at the time books are returned. Failure to do so will make it necessary to hold up a student's marks.

## School Band Ready to Play

By Alice Irwin

Here is the news we've all been waiting for; our school band is well organized and ready to play for any of the school organizations upon adequate notice.

The band, under the direction of Joe Godios, the student with rhythm in his veins, is composed of the following musicians: Tony D'Amico, Thomas McGee, Claude Winegard, Trudy Kay, Nanzio Parisi, Oliver Brown, Sam Rizzuto, Emory Davis, Richard Joseph, and Mr. Olson who is Faculty Advisor as well as a member of the band. Joe Rizzuto, Pat Brocato, and Sam Brown are assisting in their spare time as they are not students at the Institute.

Are you planning on the BTT News Spring Dance? Don't forget the date, April 2nd, Niagara Room, Hotel Statler, Max Miller and his Orchestra.

tween members, and campus photography, are three objectives.

Several suggestions for future club activities have been made by the members at recent meetings. Color slides were also shown and discussed in the library following the last meeting. This gave the members an excellent opportunity to criticize and thereby learn valuable techniques of photography as applied in producing fine photographs.

Temporary officers are Jack Brown of Electrical-2, President; Clyde Kiehl of Chemistry-2, Secretary, and D. Birmingham of Optical-3, Treasurer.

## Exhibits in the Library

The Exhibit-of-the-Month for February featured a patriotic theme around Washington and Lincoln and thanks go to Joe Sobczak, Janice Schramm, Wes Ching, Connie Zarbo, Elizabeth Childs and Barbara Oeffner for making it up.

The Photography Club has a current exhibit of some excellent pictures taken and mounted by its members. Why not come in and look it over?

Suggestions from students for future attractions are being solicited. See any member of the L. R. C. if you have any ideas.
