National Student Association Sponsors Intercollegiate Dance
By Jim Reid

"Dancing to the continuous music of Buddy Mack's and Tom Beach's Bands will be 'something out of this world':" those will be the words you'll be using to express your pleasure, if you attend the National Student Association Dance. This gala affair will be held in the Conference Room at Memorial Auditorium on the night of October 23rd. Price of tickets—only $1.50 per couple.

The dance is being sponsored by the Western District of the N.S.A. with the cooperation of the University of Buffalo, Canisius, State Teachers' Niagara, D'Youville, St. Bonaventure and State Institute of Applied Arts and Sciences. The deans and directors of the above mentioned colleges received complimentary tickets to the dance and will act as chaperons.

There is a special ticket booth set up in the lounge and you are asked to co-operate by buying your tickets here. The senior class at the Institute is especially interested in this dance, because they, along with the above mentioned colleges will receive a percentage of the profits according to the number of tickets they sell. The profit will be used in defraying their graduation expenses.

We know the dance will be a big success, and you'll have a swell time dancing from 10 P.M. to 2 A.M.

As extra features, there will be door prizes consisting of tickets to the Buffalo Bill Football games, the hockey games, and shows—all of which are well worth winning.

So come on, fellow-students, help the Seniors and have a wonderful time for yourself by doing so. Don't forget to get your tickets early for this big dance of the year.

See you on the 23rd!
