

New Faculty Appointed

Richard R. Dry, director of the New York State Institute of Applied Arts and Sciences at Buffalo has announced 12 new appointments to the faculty:

George H. Benziger, Jr., 425 High Street, Lockport, junior instructor in social studies, B.A., University of Buffalo, '45, was a cadet teacher at the Institute last year. He has completed his requirements for his Ed. M. (U. B. '49), and has had wide industrial experience.

Herman H. Block, instructor in the building construction department, former head of the surveying department at Sampson College, is a graduate of the University of Michigan, B.S.E., '22, and has had advanced work in technical education at Cornell University. From 1936 to 1942 he was senior civil engineer and hydraulic engineer for the Tennessee Valley Authority.

Dorothy L. Carson, 73 Villa Avenue, junior instructor in food services management, is a graduate of the Rochester Institute of Technology, '43. She has been supervisor both at the Kenmore Y.W.C.A. cafeteria and the J. N. Adam Co. employee's cafeteria. She will teach restaurant management.

Edward G. Fix, 63 Northampton Street, instructor in the Mechanical Technology department, has his B.S. in Mechanical Engineering from the Clarkson College of Technology, and has had advanced work both at Colgate and Columbia, while he was in Navy service. He has been an industrial engineer with the Colonial Radio Corporation of Buffalo.

Dorothy C. Heffron of Syracuse, Junior instructor in dental hygiene, is a graduate of the Eastman School of Dental Hygiene '42, who has done advanced work at Syracuse University. She has had private practice, and has been with the Syracuse Department of Health since 1944. She was president of the Syracuse Dental Hygienists Association during the past year, was chairman of the state convention, and is at present recording secretary of the state association.

Theodosia C. Hewlett, 90 Lancaster avenue, instructor in social studies and personnel, is a graduate of the Connecticut College for Women with a B.A. in psy-

Queen of Dance Chosen

Miss Jean Gartler

She's beautiful, 18, and vivacious—need more be said? She's Jean Gartler, a junior in the Dental Hygiene, who has been elected "the Queen of the Get Acquainted Dance" that was held on September 30, from 8:30 P.M. to 11:30 P.M. in the school auditorium.

While dancing to the soft music of Bob Schaefer's Orchestra, she never gave it a thought, yet, soon to her surprise, she was ushered on the stage and announced as the "Queen of the Dance". She was "just floored", as she simply stated, which amply describes the expression on her face as she walked off the stage. The sun-mirrored glasses she received were donated by Mr. Davis, who recently commented: "I acknowledge Miss Jean Gartler as the Queen; the choice the judges made couldn't be more righteous."

The proud parents of the Queen reside at 53 Comstock Ave. They also must have been thrilled by the glad tidings.

Previous to her entrance to the Buffalo Technical Institute, she

attended the Holy Angels Academy. Her hobbies are multi-graded, but her favorite one is meeting other people. Upon graduation from the Institute, Miss Gartler plans to help her brother run a private dental office.

Reception Committee Greeted

Smiling But Shy Faces

As one entered the school through either entrance, he could notice a small booth standing not far away from the door, with the sign: "Come and get the greatest kiss of your life". His shyness left him slightly, and walking up to the booth his shyness vanished entirely when he learned that the Taffy Candy Kisses were given and not what he had expected.

Entering the Auditorium, he was greeted by Mr. Dry, the director, together with a committee of Mr. Turner, Miss Cornell, Miss Irwin, Mr. O'Malley, Mr. Sussin, who welcomed all guests cordially.

Various members of the faculty served cider, ginger snaps, and skippy cups as refreshments, during the intermissions.

The Senior Body wishes to thank all those who participated and made the affair a success.

The Institooter
