## NEW LOOK FOR B T I

## FACULTY DOINGS

Spring is on the way, or so the calendar says. Accenting this Anna Hammerl and Chuck Orlando, above, model their newest creations, B.T.I. sweaters. Experts say these sweaters will strike a new note in smartness. They come in all sizes and in gray and white colors with the school emblem on the upper left. White T-shirts too, in all sizes. \$2.35 for the cadigan; \$1.75 for the slip-on; \$.90 for the T-shirt. Pre-shrunk and color-fast.

Be in the swing for Spring—get yours from Anna or Chuck—Now.

As High School graduations draw nearer, the time for choosing vocations becomes a necessity. In order to facilitate these decisions, contacts have been made with several High Schools for lectures to be given by B T I department heads.

3rd SESSION OPENS MARCH 28th

### THE CHAOS IN THE LOUNGE

The 3rd quarter of the school year for the Juniors and the 7th quarter for the Seniors will start the morning of March 28. The faculty and all members of the student body are requested to report to the auditorium promptly at 8:30 A.M. for instructions.

**REMEMBER-** A Five Dollar laboratory fee will be collected from all non-veteran students in the Student Lounge after the instructions have been issued. Veterans whose eligibility under the G.I. bill has expired will be required to pay a Five Dollar laboratory fee and a Five Dollar Athletic and Activity fee.

Our spacious and comfortable Lounge threatens at times to degenerate into a species of rookery, rat's nest, water-front pool parlor, or any other cliché expression connoting disorder.

Let's take a little pride in our lounge. The small effort and attention it requires to keep the place clean and wholesome and bright, will be re-paid many times in the satisfaction to be had in having nice quarters in which to relax. How about giving it a try?

“Where have you been for the last four years?”

“At college taking medicine”

“And did you finally get well?”
