THE BUFFALO BETAS
RUSHING JR. GIRLS

Attention, Junior girls! For the next three weeks the Buffalo Betas will be rushing junior girls. All the girls who have filled in the information blanks in the lounge will be rushed and from the applicants twenty-two will be accepted into the Betas.

The basis for being accepted is done according to the pro-rate system. The first requirement is that each girl accepted maintain at least a C average. Then the total number of registered women students compiled from the four departments that accept women as students is used as a basic figure from which to compute the percentage of representation that each department is entitled to. The results are that Dental Hygiene will have 53% of the total women students; Foods 32%, Industrial Chemistry 12%, and Optical 3%.

At present the Buffalo Betas whose purpose is to cross section the women students and to maintain a high moral standard are waiting for their charter. When the Betas receive their charter they will be the recognized Beta chapter of the Lambda Chi Iota.

Jim Reid and Angie Pefanis are working out final plans for the BSTI pep rally and they promise it will be one of the biggest events of the year. Joyce Carlson and her two attendants, Bobby Whalen and Diane Yaw will reign over the affair, arriving on a float decorated to the umteenth degree. The cheer leaders will lead the students in some new cheers and Marty Kentner, our basketball coach, will present the team in whose honor the rally is being held. There will be songs and dancing and railroad flares with a huge bonfire to illuminate the rally grounds. The Student Council will hold a dance after the rally in the Lounge.

This pep rally is preceding the faculty-sponsored basketball game on February 25th at the 174th Armory. Our BSTI basketball team will meet Rochester Business Institute and the faculty will sponsor the entertainment. The chairmen have the greatest hopes for the success of this gala affair and we hope you, the students will come out in full force and get behind us.

After the game at the Armory there will be a dance with Norm Engel supplying the music. Admission to the big game and dance will be $0.50 because of the great expense in renting the Armory so lets see all of you there!
