The faculty really put on a great showing at the Homecoming Game, two weeks ago.

Their theme was that of the Gay Nineties and what could be more funny than to have Mr. Davis, Mr. Newell, and Mr. Turner dressed as women?? (Smile). Four other faculty members mimicked the styles of the Gay Nineties by dressing as men—They were Mr. Ernst, Mc. McDonough, Mr. Nieman, and Mr. Shenton.

They really had a hilarious time and they danced and walked around clowning to the true tunes of the Gay Nineties such as "My Merry Oldsmobile," etc.

What will they think of next year??

Here we are started in our third quarter and many groups are now out on Co-op. It will surely be lonely here at BSTI without our fellow classmates but we will all be together again soon.

Sections O-1 and O-2 had a buffet-luncheon stag party two weeks ago which about 40 members of the two sections attended. It was a gala event and everyone had fun singing, eating and "sipping" beer. It was decided that more parties should be planned—well???
