IT'S HAPPENED BEFORE!

The Senior Staff of the BSTI News has returned to find the Institute bustling with activity to promote and advance a more frequent and immensely more interesting newspaper. That is a gratifying situation. We need this ambition and this interest to foster a good newspaper.

But we have received this news with a conservative attitude and a more or less skeptical note. Why???

Simply this.

This ambition and this interest that we have returned to has been in the proposed state since the school has been in existence. Time and time again students have expressed the wish to submit news and actually work to promote a school paper. Yet when the time to put their wishes into work, excuses were offered. True, some of these were legitimate, but the vast majority were of a trivial nature and obviously an attempt to back out of their offer. This is the attitude that has constantly confronted us in our endeavor to give you a good newspaper.

Do you blame us for taking a conservative attitude in this new drive?

The staff of the paper would gladly change its attitude if the students do come through and give us the material to publish. We cannot publish a paper without your earnest help.

The whole situation of a better and more interesting newspaper lies in your hands—students' hands. Cooperate with us and we will give you the paper that you will read and look to for news.

By the way, Student Council and Student Athletic Council, there were no news items turned in from any of your sections for this issue.

Isn't it curious how everyone offers you a CAMEL this week?

Miss Hewlett is very proud of her new office, just across from the receptionist.

THE INSTITOOTER

By Howie Mandell, B-2

Down at the "CRAZY BONES" every Friday evening is gathered the cream of South Park society. Among the most elite of the patrons, . . . eyeballs bleeding and plasma saturated with Be₂R, . . . you will inevitably find three BSTI students, John C., Don R., and Jimmie S. It is needless to say this trio always manages to leave the "Ptomaine Tavern" stone sober, but . . .

Two weeks ago, after leaving the "CRAZY BONES" our dauntless trio would have sworn they had seen "Yockey's heart-throb" flying low over Buffalo on a broomstick.

Sometimes a two-headed dental student materializes before their very eyes and tortures them by filling their cavities with "rock" candy.

Occasionally the familiar pink elephant is forced to take a back seat to more up-to-date hallucinations such as the crimson JABBERGO-WALKIE BIRD or the speckled INST-DOUDOER.

But more terroristic, more unbearable, more nauseating than any hallucination could ever hope to become, is the thought of a fraternity brother issuing those immortal words, "Pledge, assume the position".

Speaking of fraternities and frat. brothers, PHI THETA GAMMA, BSTI's only national fraternity will take in new members in a few weeks. The following students are now in their second week of pledging and will become full fledged fraternity brothers when they have completed the "four walls"; Warren Amy, Eugene Broecher, John Buchanan, Norman Clark, Jerry Collins, Norman Cornell, John Crotty, Glenn Cullen, Tom Friedman, Raymond Fisher, Luke Falcone, Irv Kirk, Arthur Hartley, Lewis Krumm, Tony LaSpada, Howie Mandell, Neil McNeight, Charles Owens, Don Pastore, Don Riedel, James Smith, Joe Stevens, Russ Todaro, Ed Williams, and Bob Walter.

"SAY, SMITTY, GUESS WHO I RAN INTO TODAY?"
