

SPORTS JACKET

By Herb W. Wistner

Members of the Swimming Club from M-10 tell me they want more women members to attend on Wednesday nights at the North Delaware Y. They have a diving and swimming instructor there every Wednesday, so all women who want to become another Esther Williams, make a date for Wednesday. The place—North Delaware Y.

In the words of those who witnessed the Institute's Tournament in Binghamton, BSTI team and personnel endeared themselves to all. All who attended have extended sincere appreciation for a wonderful time in Binghamton. Thanks are also extended by the team to the Student Council and Student Athletic Council who made the trip possible.

On "Letter Day," in about two weeks, an award will be made for the outstanding player on the BSTI basketball team. After the game in Binghamton Mr. Davis took a closed vote from members of the squad. The result of this vote will be announced at assembly on Letter Day.

BSTI distinguished itself in Binghamton by being the only team to have a registered recognized trainer, namely, Dr. George Skinner. He was accompanied by his trainer, Mrs. Skinner.

See Whitmore for report re: bowling. See Miss Hewlett for report re: swimming.

A "Hole-In-One" Tournament will take place in the rear of the parking lot, tentatively scheduled for the week of April 3rd. A separate male and female contest will be held.

All baseball (hard ball) candidates hand your name in now to Mr. Fitzgibbons; tennis to Mr. Fix; golf to Mr. Olson.

All SAC representatives please meet the third Tuesday:

March 21; April 18; May 16 in the *Library Conference Room* from 12:00 noon to 1:00 P.M. Clear with you instructor to be excused one-half hour of your class. The other half-hour should come from your lunch hour. We hope this new system will guarantee 100% attendance at SAC meetings. Please be prompt.

Four State Workshops Meet Here This Week

(Continued from page one)

resources, both agricultural and technical, to revise magazine subscriptions; at 4:30 they will discuss exhibits, and at 7:45 they will revise their recent survey of library equipment. At 6:30 Friday night they will join the members of the other three curriculum workshops and BSTI staff members for dinner in the Ivy Room at the Institute. Anthony M. Antonena, senior in Food Service Administration, is in charge of the student catering project for that evening.

On Saturday morning Mrs. Lake will announce plans for the next library workshop meeting held jointly with the New York Library Association at the Hotel Roosevelt, New York, April 27-29.

Mrs. Grace O. Hunt, head of Food Service Administration, and dean of women at BSTI, is state chairman of the Foods workshop curriculum. Attending will be Edna M. Mitchell of Canton, Phyllis K. Sprague of Cobleskill, Charlotte Duncan and Katherine Foster of Delhi, Lois I. Thomas of Morrisville, and Ruth M. Lusby of White Plains.

The Building Construction workshop will be led by B. Klare Sommers of Delhi. Ernest Notar, head of the Buffalo Institute, announces that members of the Buffalo advisory committee have been invited, and that Thomas H. McKaig will be luncheon guest on Thursday. Plans are also being made for an inspection trip of a new construction project in the Niagara Frontier. Duane C. Stoll, head of Building Construction at White Plains; Donald E. Waite, head at Farmingdale; and Joseph Steinberg, head at New York, will come to Buffalo for the workshop.

Dr. Mabel Gross of the New York Institute is chairman of the Dental Hygiene workshop which includes Dr. and Mrs. George W. Skinner of Buffalo, Dr. J. Luhan of Farmingdale, G. D. Gregory and Mrs. Eva Scofield of Alfred, Neva Ash of Binghamton, and Alfred Hamfeld of White Plains.

The first team to enter softball tournament is the "Faculty." (A separate male and female tournament will be sponsored.) If your section plans on having a softball team, notify Mr. Davis, mentioning name of representative and section. A section may have more than one team if players are available.
