

PAL'S CORNER

by Paul Paladino

Thursday, March 24, was a big day for the Electrical Technology seniors. After much spirited action by Ed Manning and Sigmund Liszewski of E 12, an electrical club was initiated and organized. Officers are Donald Murray, president; Albert Kelch, vice-president; John Dubovek, secretary; and Lee Bossart, treasurer. Sig Liszewski was appointed publicity officer.

Mention should be made of the Casanova of the electrical curriculum—Norm Engel. He seems to be mighty popular with some of the girls in the Swimming Club.

Three of the E 12 boys—Don Wheeler, Roy Borst, and Sylwin Smart were so wrapped up with their problems last Friday that they mistakenly walked into a "Strength of Materials" class along with the Mechanical boys. They had just sat down and were about to take out their slide rules when they noticed the mistake. Spring fever got you down, fellows?

Hi, gang, heard you liked my jokes last issue, so here goes another try!!!

Congratulations to Wally Maciag, our "Most Valuable" basketball player. That is a title that Wally well deserves. I've seen him in action many times and he really moves. In fact, he was nicknamed the "atomic spark" last December by our

We all know that Reverse dancing is when the girl asks the boy to dance—well, yesterday Warren Fink, 0-2, asked me if it was necessary to dance backwards when dancing a "Reverse" dance.

I've just received word from the musical world that "Nature Boy" has intentions of "Building a Bungalow for Two" with his sweetheart, the charming "Swamp Girl",—as soon as they tie the knot—I guess they'll take a trip on the "Mule Train."

Hats off to Ollie Carnegie, our newly appointed baseball coach. I'm sure all of our boys will get behind Ollie and a top-notch team is sure to develop.

"You're not living at the New Hermitage any more, are you?"

"No, I stayed there six weeks and then found out they have no bathtub."

Bill Farrell, Hollywood star, soon to appear at the Town Casino, can look forward to a "pearl-white" evening as the dental girls have a big party planned there for April 10...

"Did you have your radio on last night?" "You did! Well, how did it set?" (Oh, man, how corney can I get??)

"This is a fine record," said Red O'Neill today, "especially when we take into account the fact that some sections are now out on co-operative training, that some curriculums have a smaller registration than others, and that all college students have many financial drains."

The World Student Service Fund campaign which ended yesterday afternoon at 4:30 was sponsored by Student Christian Association, Student Council, Newman Club, Library Relations Club, Lambda Chi Iota, and Phi Theta Gamma, with Jim Reid as chairman. Students and staff were asked to contribute men's clothing, books, and/or money.

Dental Hygiene 1 was high with a total of \$3.20. Altogether \$33.26 was turned in, along with large supplies of clothing and books. Jim Reid and Angie Pefanis, assistant chairman, wish to thank all who contributed.

Tchaikovsky's "O Praise Ye God," da Palestrina's "Tenebrae Factae Sunt", Rachmaninoff's "We Praise Thee", and Randall Thompson's "Alleluia" will conclude the concert.

Wednesday at the Y.M.C.A. with the Swimming Club. Everyone had a heck of a good time and they all really felt that it was one evening well spent. Swimming is 6:45-8:00 and there is plenty of room for all. A new diving-board is now up—so come on, gang; come along and bring your friends tomorrow night at the North Delaware Y.M.C.A.—6:45 sharp—8:00.

Funeral Director (to aged mourner):

"How old are you?"

"I'll be 98 next month."

"Hardly worth going home, is it?"

Oh gee, give me back my pencil, what no more room—well O.K.—so take care of yourself gang and remember, "the loudest person isn't always the most popular."
