

Cheryl's Openin''

By: John Reheuser

Another openin' - another show,  
We're hopin' that Cheryl is ready to go,  
To banish our worries and defeat our woe,  
Another openin' another show!  
Another openin' - another test,  
S.L.O.C. will do its best,  
We've been rehearsing without a rest,  
So come on in and enjoy our fest!  
Another openin' in Schenectady,  
Our costumes are gorgeous - so come and see,  
It only costs just a little fee,  
Another openin' in Schenectady!

*(Slowly)*

.Another openin' another verse, Can this silly parody get any worse?  
I'd advise you not to bet your purse. Another openin' - another verse!
