Look at the UUP Statewide Website for Negotiations Updates

Your Union Contract Team is meeting either weekly or bi-weekly with the state to work on your next UUP contract. Ultimately you will be given the opportunity to review any proposed contract and Vote on Approving it or Sending it back to the contract team to renegotiate it (ONLY if you are a UUP member, Fee Payers do not get that right to vote on the contract) The team posts updates from time to time to inform you what is generally happening with out specifics which are fluid throughout the negotiations process. Just to review the process, when your team along with the Statewide President Phil Smith feel they have a tentative contract team , they will call in the UUP statewide contract committee which includes your chapter president Artie Shertzer to review and agree that the tentative proposal should go to all the UUP members for their review and vote to approve or not.

Please take the time to click on the attached link <http://www.uupinfo.org/negotiations/index.php> to see what is currently happening. Stay informed and if you want to contract your UUP Chief Negotiator Jamie Dangler please do so by email at contract@uupmail.org .

RSVP **No later than three days prior to an event** for lunch orders.
