

TAKE IT SLOW

By Michael Grillo

Express lines
Car pool lanes
Fast cars
Jet airplanes
Cell phones
Modern homes
How far will we go with this?

Times Square
Neon lights
Vegas strip
Open all night
Cheap thrill
Over kill
Eat all you can for one low price

Fast food
You all know
Swipe your card
You're good to go
Shopping malls
Long distance calls
We're going nowhere way too fast.

Oh, time is passing by
You should take things slow
You know you're only speeding up
Your time to go.
