REQUEST FOR YEARS OF SERVICE :

Hanne, Chair of Social Events Team, would like to have each member of our staff give her the # of years of service to the libraries at SB University. At your earliest convenience, **please send her an e-mail with this information**. "Something" must be in the works by this team.

SEFA:

You have received an envelope to which most of you are familiar. It's the annual appeal for us to contribute to the not-for-profit organizations + charities here and around the world. I know charity begins at home and in a sense SB is our home for 7-8 hours per day. Won't you consider a payroll deduction of ONE DOLLAR per pay check. That adds up to \$26.00 a year. If each staff member contributed that amount it would reach -

$\$26.00 \times 85 \text{ (staff members)} = \$2,210.00$

So . . . reach in your garbage can (in case you tossed the envelope!) and reconsider the value of a dollar! And besides, gasoline prices are going down so you can use the savings toward a good case .

By the way turn in your envelopes to Maryanne , who will hand deliver them in bulk to Lawrence Martin in the Graduate School. THE ENVELOPES WILL NOT BE OPENED AS THAT IS YOUR PERSONAL BUSINESS - I will try to make a graph of the number of staff who have participated over the years . It would be good for it to go UP .

Thanks in advance!
