NOTES: Res #11

Joint College Senate and Brockport Student Government Anti-Racism Resolution

- I. Whereas, the national Black Lives Matter movement for civil justice is calling attention to pervasive and continued racism throughout American society and, in particular, in relation to the criminal justice system; and
- II. Whereas some Brockport students in December 2014 who organized two peaceful protest marches in support of the Black Lives Matter movement faced racist attacks and threats both verbally and via social media by some members of the Brockport community and;
- III. Whereas we recognize that these racist incidents are linked to a wider climate of discrimination throughout the nation, including on college campuses and;
- IV. Whereas The College at Brockport strives to be a best practices community of teaching and learning, where promoting ideas and conversations about diversity, equity, and inclusion are encouraged in a manner free of hate and discrimination;

Therefore, be it resolved;

1. That the College Senate and Brockport Student Government choose to be a part of an academic community that is dedicated to principles of human rights and dignity that foster integrity, civility, justice, and non-discrimination;
2. That the College Senate and the Brockport Student Government will work to increase the equity and inclusiveness that supports a concerted attempt to increase the diversity of our students, faculty and staff.
3. The College Senate and the Brockport Student Government recommend that, where appropriate, the College at Brockport create specific institutional antiracism goals for various campus-wide programs and events, such as the Diversity Conference and the Freshman Summer readings, and strongly encourage faculty to develop learning outcomes that can be tied to these institutional goals in their courses;
4. That the College Senate recommends that the General Education Committee prioritize the strengthening and enhancing of the Diversity General Education requirement, especially by encouraging programs and departments to ensure that each class with a “D” designation meets the stated student learning outcome: “Students will analyze social conflicts, prejudices, and/or intolerance relevant to a contemporary setting, and arising from such issues as racism, ethnicity, religious affiliation, sexual orientation, class, etc. These concerns shall constitute a major or central theme of the course, as opposed to a peripheral or occasional consideration.”;
5. That the College Senate and the Brockport Student Government call on the Administration to openly discuss and immediately condemn incidents of racism on campus, in the spirit of truth and conciliation;
6. That the College Senate and Brockport Student Government request the Administration to authorize the Office of College Communications to respond openly, directly and rapidly to denounce racist incidents on campus.
7. That the College Senate and Brockport Student government recommend that faculty and staff to routinely engage in professional development around equity, diversity and inclusion.
8. That the College Senate and the Brockport Student Government request that the College at Brockport make more training and professional development opportunities available so that faculty and staff can access professional antiracism, intercultural awareness, diversity training and development, including the use of campus and SUNY-wide resources and mandated policies, such as the Discrimination Complaint Procedure;
9. That the College Senate and Brockport Student Government call on the College to create procedures to formally recognize and reward the importance of routine professional development around diversity issues;

10. That because the Department of African and African American Studies plays a critical role in the College by providing specialized courses and expertise that prepare students to understand and lead in confronting various forms of discrimination, the College Senate and Brockport Student Government call on the Administration to further strengthen and provide resources for it and other departments and programs to hire faculty whose work and expertise enables them to teach courses focusing on race and diversity;
11. That the College Senate and Brockport Student Government request that the administration act on the Campus Climate Survey consultant's priority recommendation, that the College hire an Ombudsperson;
12. That the College at Brockport affirms that we aspire to build a Better Brockport Community and again commit ourselves to the values below:
