Resolution #17

Be it resolved by the Student Association Senate of the State University of New York, College of Arts and Sciences at Oswego that:

Whereas, tuition in the upper division of State University has increased from \$400.00 per year in 1970-71 to \$800.00 per year currently, and

Whereas, tuition in the lower division of State University has increased from \$400.00 per year in 1970-71 to \$650.00 per year currently, and

Whereas the price of textbooks and other related amterials has increased tremendously in recent years,

Therefore, be it resolved that:

Student Association Senate expresses its disapproval of the policy of certain departments at SUCO to expect students to furnish blue books for final examinations as this is a financial hardship for students.

Be it resolved by the Student Association Senate of the State University of New York, College of Arts and Sciences at Oswego that:

To: Mayor John O'C. Conway
Alderman John Canale
Oswego City Common Council
Common Council Traffic Committee

We, the Student Association Senate of the State University College at Oswego, formally ask that a traffic light and pedestrian lanes be immediately installed at the intersection of U.S. Route 104 and Sheldon Avenue, Oswego, New York.

For too long an unsafe and perilous condition has existed at this intersection. As a road that bisects the campus, it is travelled daily by hundreds of pedestrians. When sporting events occur, thousands of people cross from the north campus.

This morning, on of the most serious accidents occurred in which two cars collided while hitting pedestrians, leaving three people badly injured.

Any delay in installation is unnecessary. We ask you for immediate action.

Respectfully submitted,

Student Association Senate

Res. #34

The following resolutions were passed by the Oswego State Football Club Organization on Thursday, April 5, 1973:

Resolution A - concerning support for Douglas J. Rubenstein
Resolution B - concerning self-determination rights,
and funding.

Whereas, Article 15, paragraph C of The Code of Student Rights, Responsibilities and Conduct states: "Any organization seeking access to institutional funds shall choose a faculty member to be a consultant on institutional relations".

And whereas it is evident that the Oswego State Football Club Organization has been denied its rights by the recent administrative decision to put the OSFCO under the supervision of the Director of Athletics,

Be it resolved by the Student Association Senate of the State University of New York, College of Arts and Sciences at Oswego that:

Since the rights of a recognized S.A. funded organization have apparently been violated, S.A. is in total agreement with the resultant legislative action taken by the Oswego State Football Club Organization on Thursday, April 5, 1973.

Be it resolved by the Student Association Senate of the State University of New York, College of Arts and Sciences at Oswego that:

WHEREAS: we have not used any of our so-called "snow days" and whereas the Easter Holiday offers no vacation time and more importantly, no travel time for students and faculty, to facilitate the safe travel of all individuals at Oswego, be it resolved that:

We formally and with utmost concern for urgency and safety, request the addition of one day of travel after Easter weekend on Monday, April 23. We hope that classes can be set aside on this day so as to allow everyone to miss the holiday traffic that every year claims more and more lives and personal injuries. We do not want anyone from our academic community to become a statistic.
