Subject Chris McAlary accepts Assistant Vice President for Facilities
& Services position.

To: All Faculty and Staff

I am pleased to announce that Chris McAlary has accepted the position of Assistant Vice President for Facilities and Services in the Department of the Vice President for Administration. Chris comes to Stony Brook University from the California Polytechnic Institute in Pomona, California where he has been Associate Vice President for Facilities Planning and Management. Prior to his current position, Chris held facilities management positions at the University of Southern California. Chris's expertise and knowledge will be an asset to our University. I expect Chris to make significant contributions to the improvement of our facilities, design and construction, and services areas. Chris will begin his duties at Stony Brook on or about February 3, 2003.
