

Nov. 7, 2012

Fall Photos

In this issue's [photo gallery](#), the campus sails past a storm that devastated other areas, allowing the community to focus on fall conferences, winter sports, the annual leaf-raking project, a vigil, safe trick or treating and more seasonal events. If you would like to submit photos of timely activities for future issues, email pictures with a brief caption to proffice@oswego.edu.

Web refresh improves navigation, design

Users may have started seeing a new look on some oswego.edu pages. The "refresh" offers easier site navigation, improved aesthetics and new responsive design. [Read more >](#)

College offers new mobile site plus apps

With an explosion of users on smartphones and other portable devices, the college recently rolled out a new enhanced mobile website while launching complementary apps in the Apple and Android stores. [Read more >](#)

Actors take on multiple comedic roles

SUNY Oswego's student honors production, "Goodnight Desdemona (Good Morning Juliet)," will present a challenge for the cast—four of the actors are tasked with playing more than a dozen roles in this imaginative journey through the subconscious. [Read more >](#)

40 Korean students to arrive on campus next semester

The anticipated arrival of at least 40 students from Korea in January has generated a multilayered effort to prepare for them. [Read more >](#)

People in Action

In this issue, read about students recognized for their creative work in films and photos, faculty and administrative appointments in professional organizations, and staff honored for superior performance. [Read more >](#)
