

Sept. 23, 2015

## September Photos

In this issue's [photo gallery](#), walkers embody peace and unity, flags honor 9-11 victims and heroes, a speaker recalls pioneering women in science and math, a fashion show highlights cultures and creativity, and Lakerfest brings fall fun and frolic. If you would like to submit photos of timely activities for future issues, email pictures with a brief caption to [proffice@oswego.edu](mailto:proffice@oswego.edu).

### Oswego entries move up in SUNY competition

In the SUNY-wide competition for project grants from the SUNY \$100 Million Expanded Investment and Performance Fund, all six of the SUNY Oswego-originated proposals have been approved to move to the next stage. [Read more >](#)

### Video: Renovated Waterbury Hall reopens

Less than a year after Waterbury Hall closed for an \$8.8 million facelift and update, the residence hall opened its doors for 230 student residents. [Watch their response >](#)

### Global 'influential leaders' include Oswego alums

AACSB International, the global accrediting body and membership association for business schools, announced yesterday that SUNY Oswego graduates Robert Moritz of PricewaterhouseCoopers and Virginia Donohue of On Point for College have been recognized among its inaugural group of 100 Influential Leaders. [Read more >](#)

### Chamber for wireless testing to debut today in open house

A \$3.1 million echo-free chamber will debut today in Wilber Hall during an open house for the campus, formally crowning the college's new capability for developing and testing wireless devices ranging from tiny blood pressure sensors to the antennas on a Humvee. [Read more >](#)
