Subject Salary Factor Change

The salary factor used to calculate your bi-weekly gross pay for the 2004-2005 State fiscal year will be based on a 365 day rate. As a result, you will notice a slight increase in your bi-weekly gross starting with your April 21, 2004 paycheck.

The following employees WILL NOT be affected by this change:
21 pay faculty
Graduate and Teaching Assistants
Hourly/Per Diem employees

The following employees will be affected by this change in September 2004:
Faculty with a calendar year obligation (26 paychecks)
College-Year employees

If you require additional information, please contact Debbie Phelan at 632-6199.
