

Resolution #6, 1972-73

Routing # 8 72-73
Resolution
#8 1972-1973

Acting-President Ian Henderson
TO: PRESIDENT ALBERT W. BROWN

FROM: THE FACULTY SENATE

Meeting on January 22, 1973
(Date)

RE: X I. Formal Resolution (Act of Determination)
 II. Recommendation (Urging the fitness of)
 III. Other (Notice, Request, Report, etc.)

SUBJECT: Prepared for the Faculty Senate Committee on Undergraduate Academic Policies by John C. Crandall and J. Emory Morris

December 7, 1972 (Current policy is stated on pg. 47, Academic Information Guide, 1972-3)

Items 1 through 5 and 7 and 8 are to remain unchanged.

Item 6. Providing all the above specifications are met, a student may add a course on a "pass/fail" basis or change a course in which he is registered to a "pass/fail" basis during the add period. Under no circumstances may a change to "pass/fail" basis be made after the end of the add period.

Rationale: The registration control form now in use permits the registrar's office to determine if an add or change will result in only one course being attempted on pass/fail basis. The previous policy was intended to assure that a student attempt only one course on a pass/fail basis at a time when it was not possible to verify quickly a student's other course enrollments.

We recommend immediate implementation.
